Since we are Cavaliers, we may wish that we were the Cavaliers who served the tyrannical Charles I in the 1640's. Though we do not serve a tyrant, we do have to obey laws and rules. If a defender of Charles I disobeyed the law, he was beheaded and his head was displayed on a bridge in London. This is ironic since Charles I paid his death penalty with the guillotine. We, too, have to pay a penalty if we break the law or disobey a school rule. Though the punishment seems severe at the time, it is not comparable to Madame guillotine.

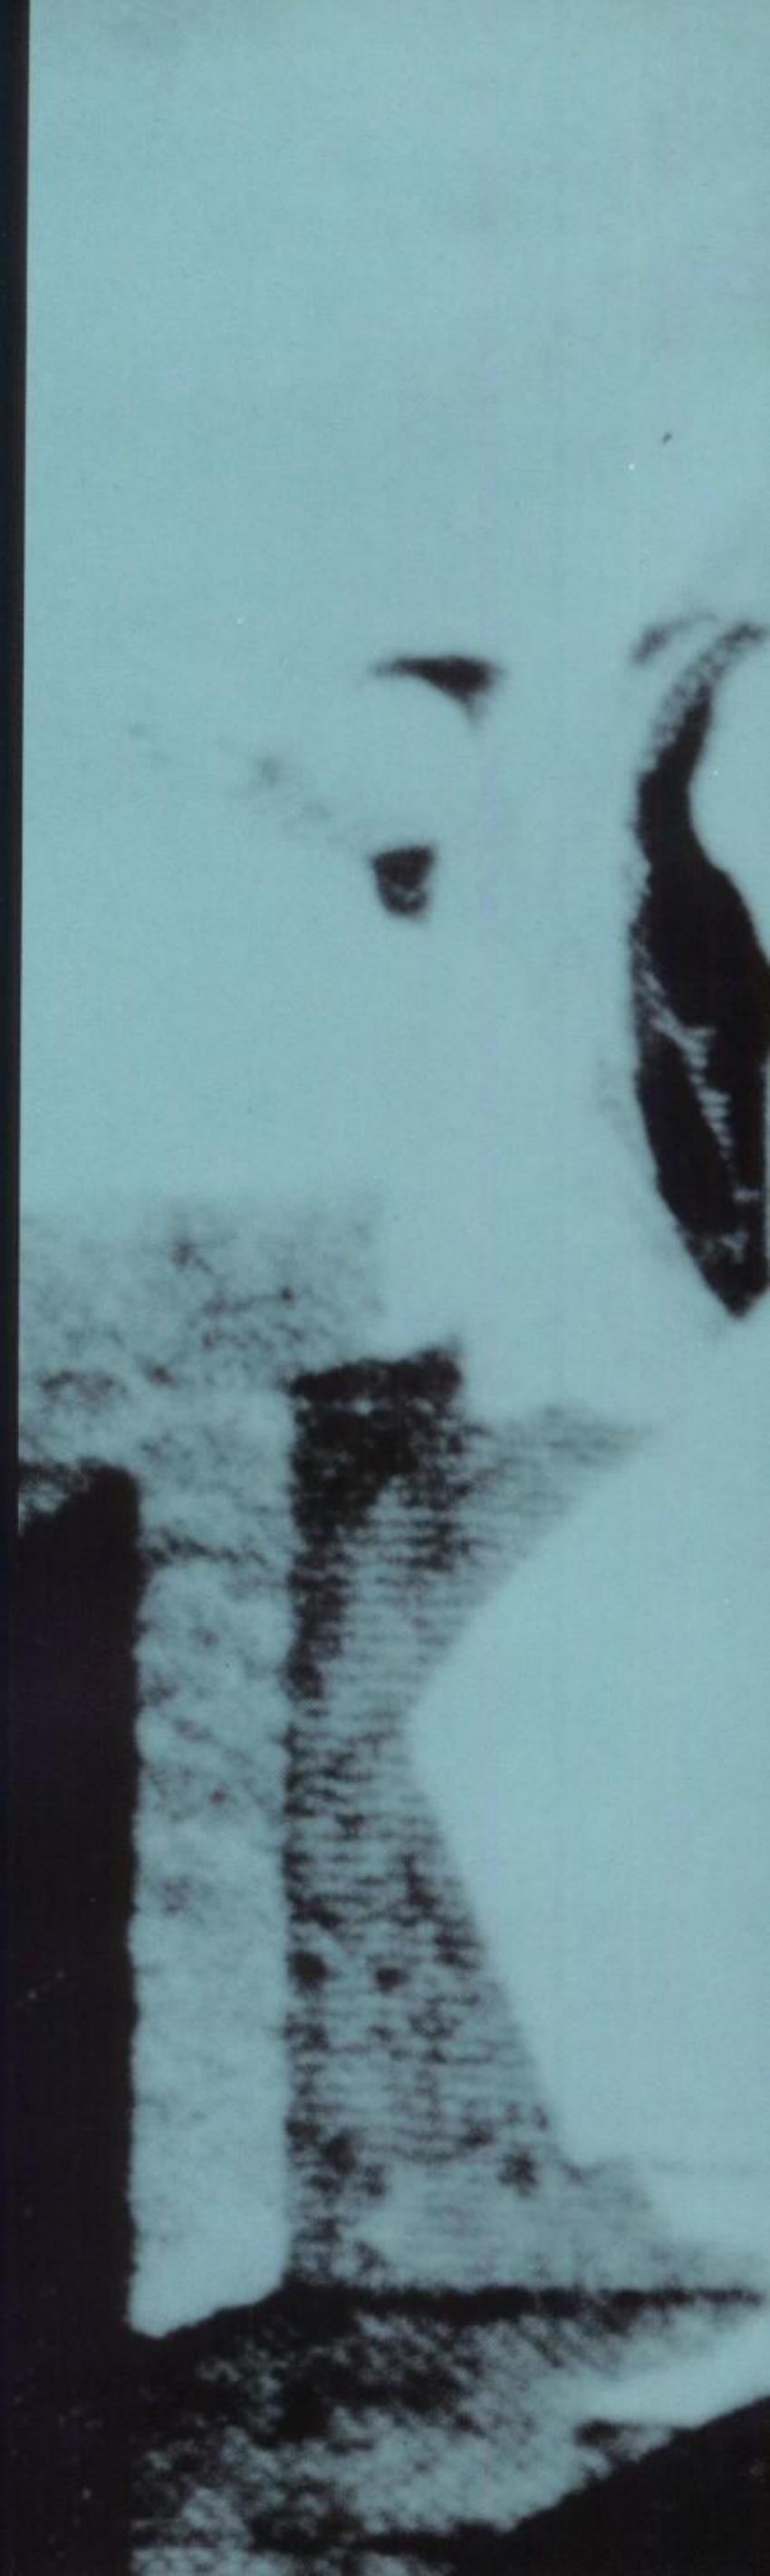

A Cavalier was supposed to be a horseman and a man of good birth. His characterization was French-oriented and based on the idea of chivalry and the ideal knight. The supporters of Charles I were by no means ideal knights. They feigned religion, as did Charles I, and performed horrible atrocities against women.

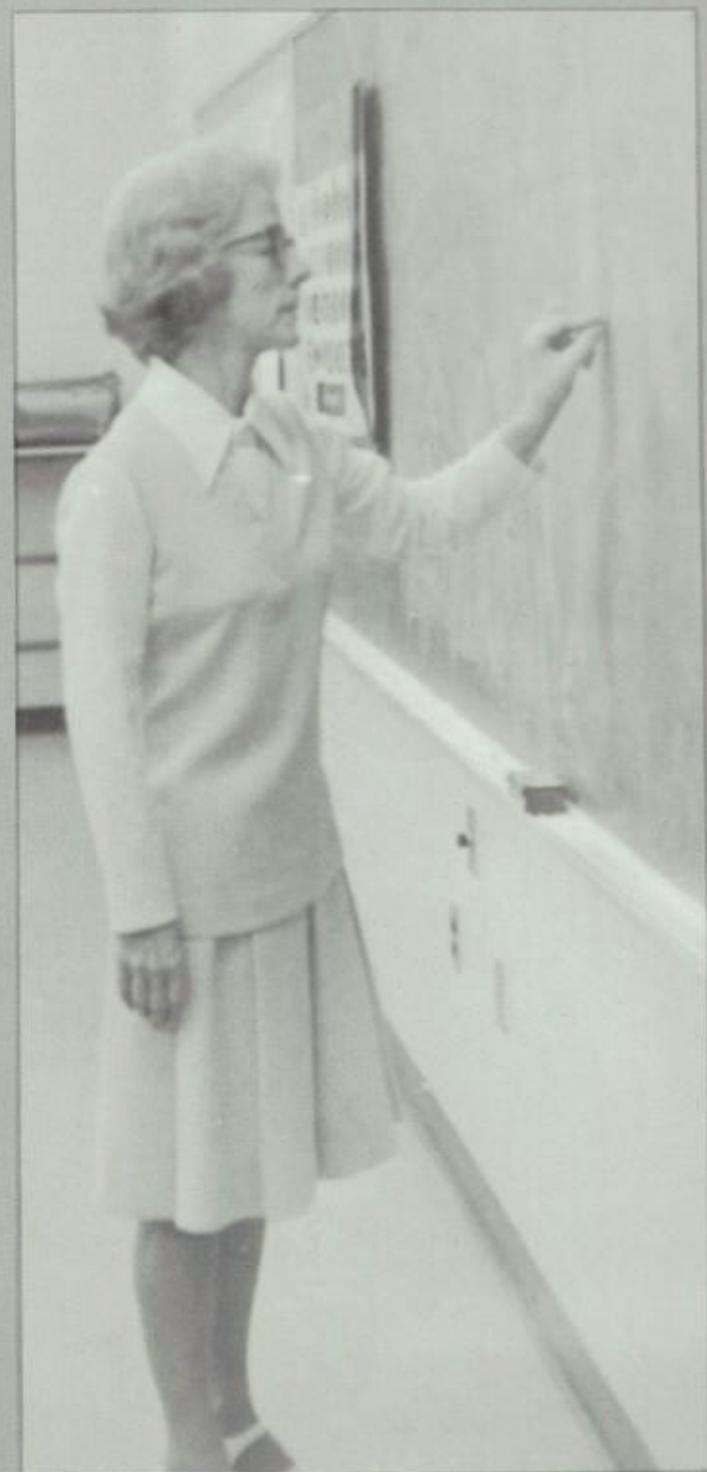

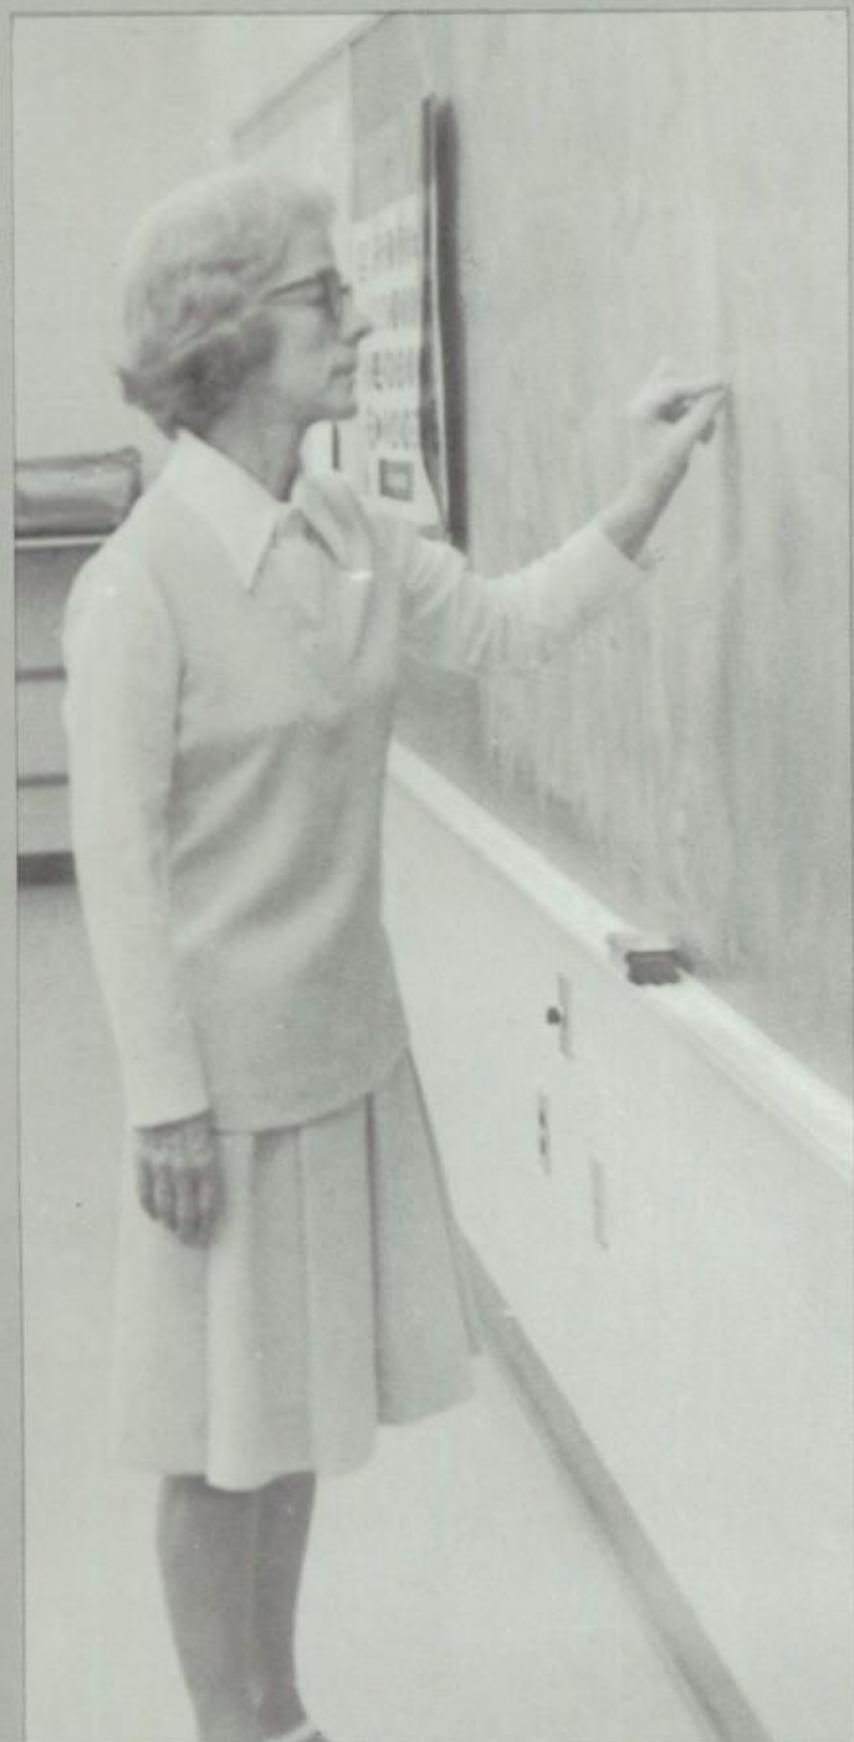

Only beauty queens  
and royal people were  
important.

## Christmas Dance — First for F-C

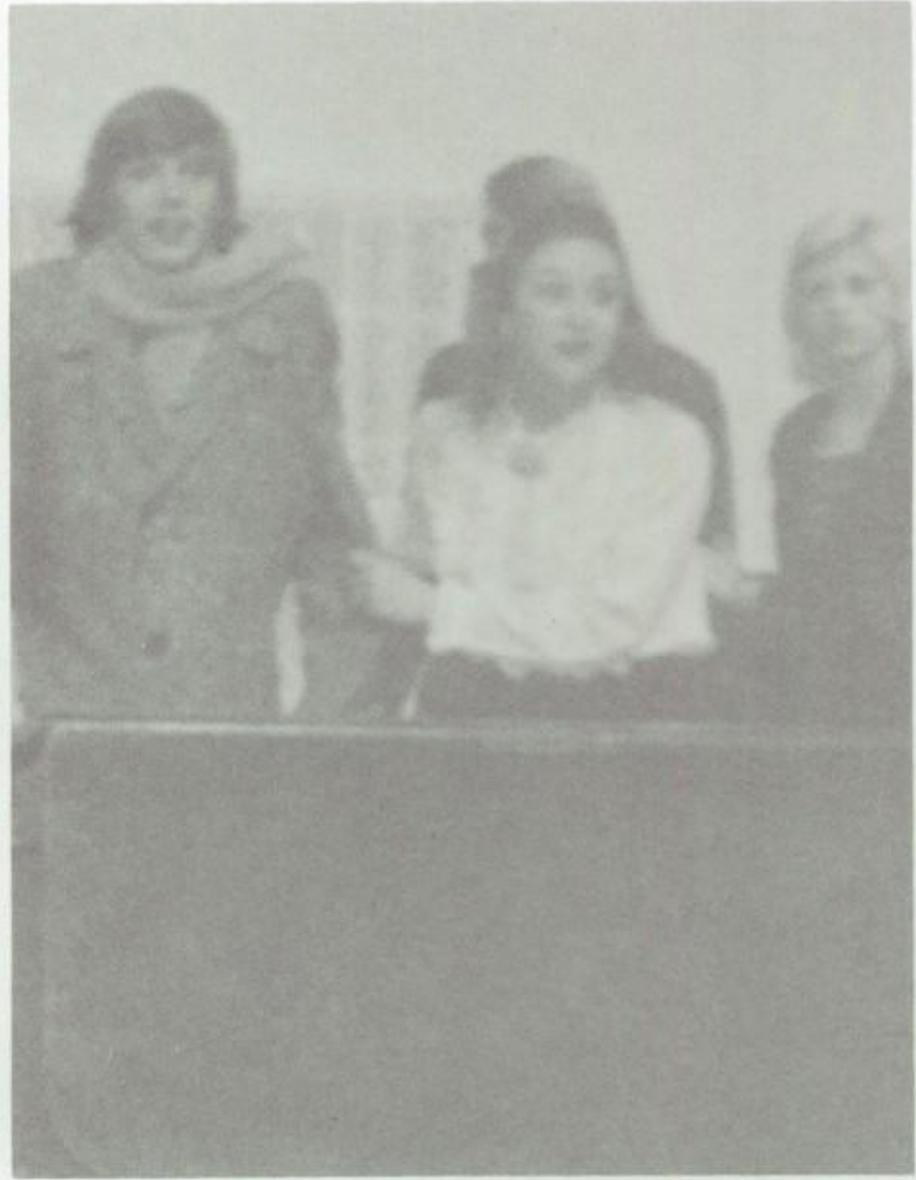

Her? (Kathy Perkins, Queen)

Attempting to change a long and established tradition, F-C cheerleaders decided to replace the Homecoming Dance with a more elaborate Christmas Ball. The semi-formal Christmas Ball was held on December 14, from 8-12, at the Collinsville Recreation Center. Tickets were sold only in advance to F-C students and alumni. The band, "Bijou", brought some new sounds from Richmond. Heidi Gravely, Sarah Snead, Faye Wooten, Rita Janney, Kay Carmichael, LaDonna Tuttle, Pam Martin, and Kathy Perkins were chosen by the Senior class to run for Christmas Queen. As the highlight of the evening, Kathy Perkins was voted by those attending the dance to be Christmas Queen. Hopefully, the Christmas Ball will also become a long and established tradition at Fieldale-Collinsville.

"Adrift in New York" the Junior class play was a satiric melodrama set in the 1890's.

The play depicts the efforts of Francis Desmond, a sophisticated villain, to own the Weston family farm. Believing oil to be on the land, Desmond has murdered a wealthy neighbor and purchased the mortgage, which he will return to Weston if Nellie, the elder daughter will marry him. Nellie agrees, against her father's wishes; but upon arriving in New York, she learns of Desmond's true nature. Jack Merriwell, a childhood sweetheart, saves her from Desmond's clutches. The final act resolves the conflict by reuniting Nellie with her family and with Jack. Desmond is undone by an undercover detective who has passed as his cohort.

On November 23, 1974, Miss Pam Thomas was crowned Henry County's Junior Miss for 1975 from a field of twelve area senior girls. For her talent presentation, Miss Thomas played a Russian Gypsy melody, "Dark Eyes", arranged by Rob Roy Peery on the piano. In addition to her title, Pam was presented the Scholastic Achievement Award because of her 4.0 average. Near the end of January, Pam travelled to Roanoke for state competition.

The new members were initiated by dressing as housewives. In the spring of the year, they hold their annual Mother-Daughter Banquet with all mothers and sponsors receiving a red rose.

The FTA, as well as other clubs, was functional in name only this year. Disorganization and student disinterest halted the usual projects of the FTA. Perhaps next year will be a more rewarding and profitable year for the FTA.

Women in the 1640's had no identity whatsoever. This was a carryover from Anglo-Saxon and Norman rule in England. If you were not born into a royal family, you were never noticed except to placate men's pleasures. Of course, things are different now for some women, as all Women Libera-tionalists will tell you.

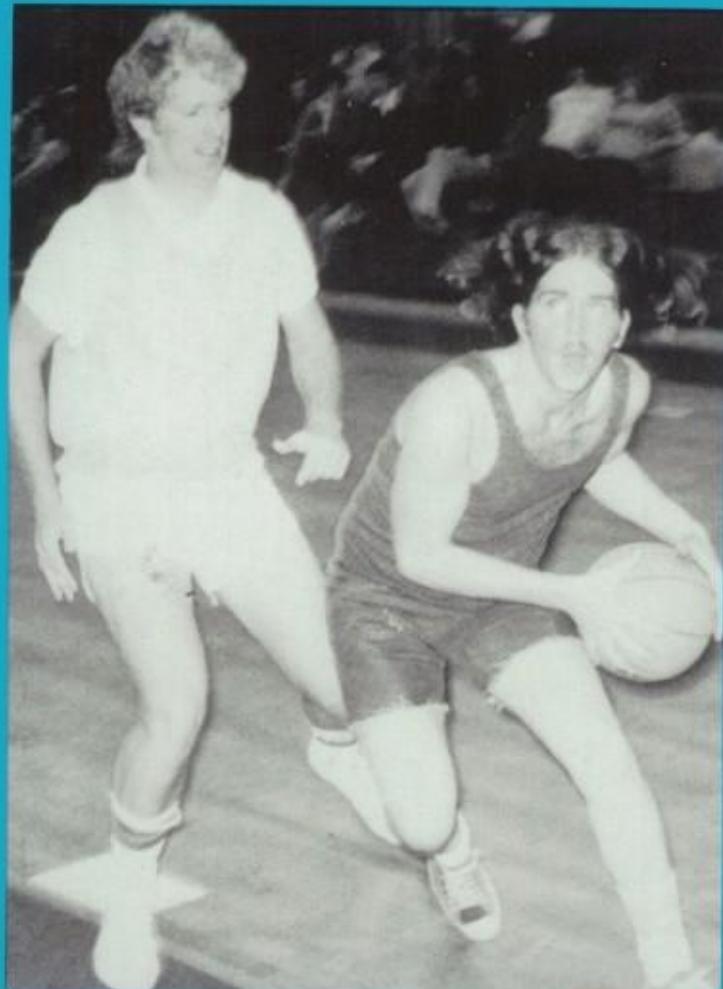

Though the Cavaliers and Charles I were radical in thought and actions, they meant well. Some of us are radical, but we soon find, like Charles I, that peaceful and parliamentarian rule overtake fanaticism.

Oliver Cromwell restored law and order to a country that was confused, misled, and afflicted. We, who are Cavaliers, have to pay a price for immature, fanatic thoughts. We have to mature and meet the goals we set for ourselves.

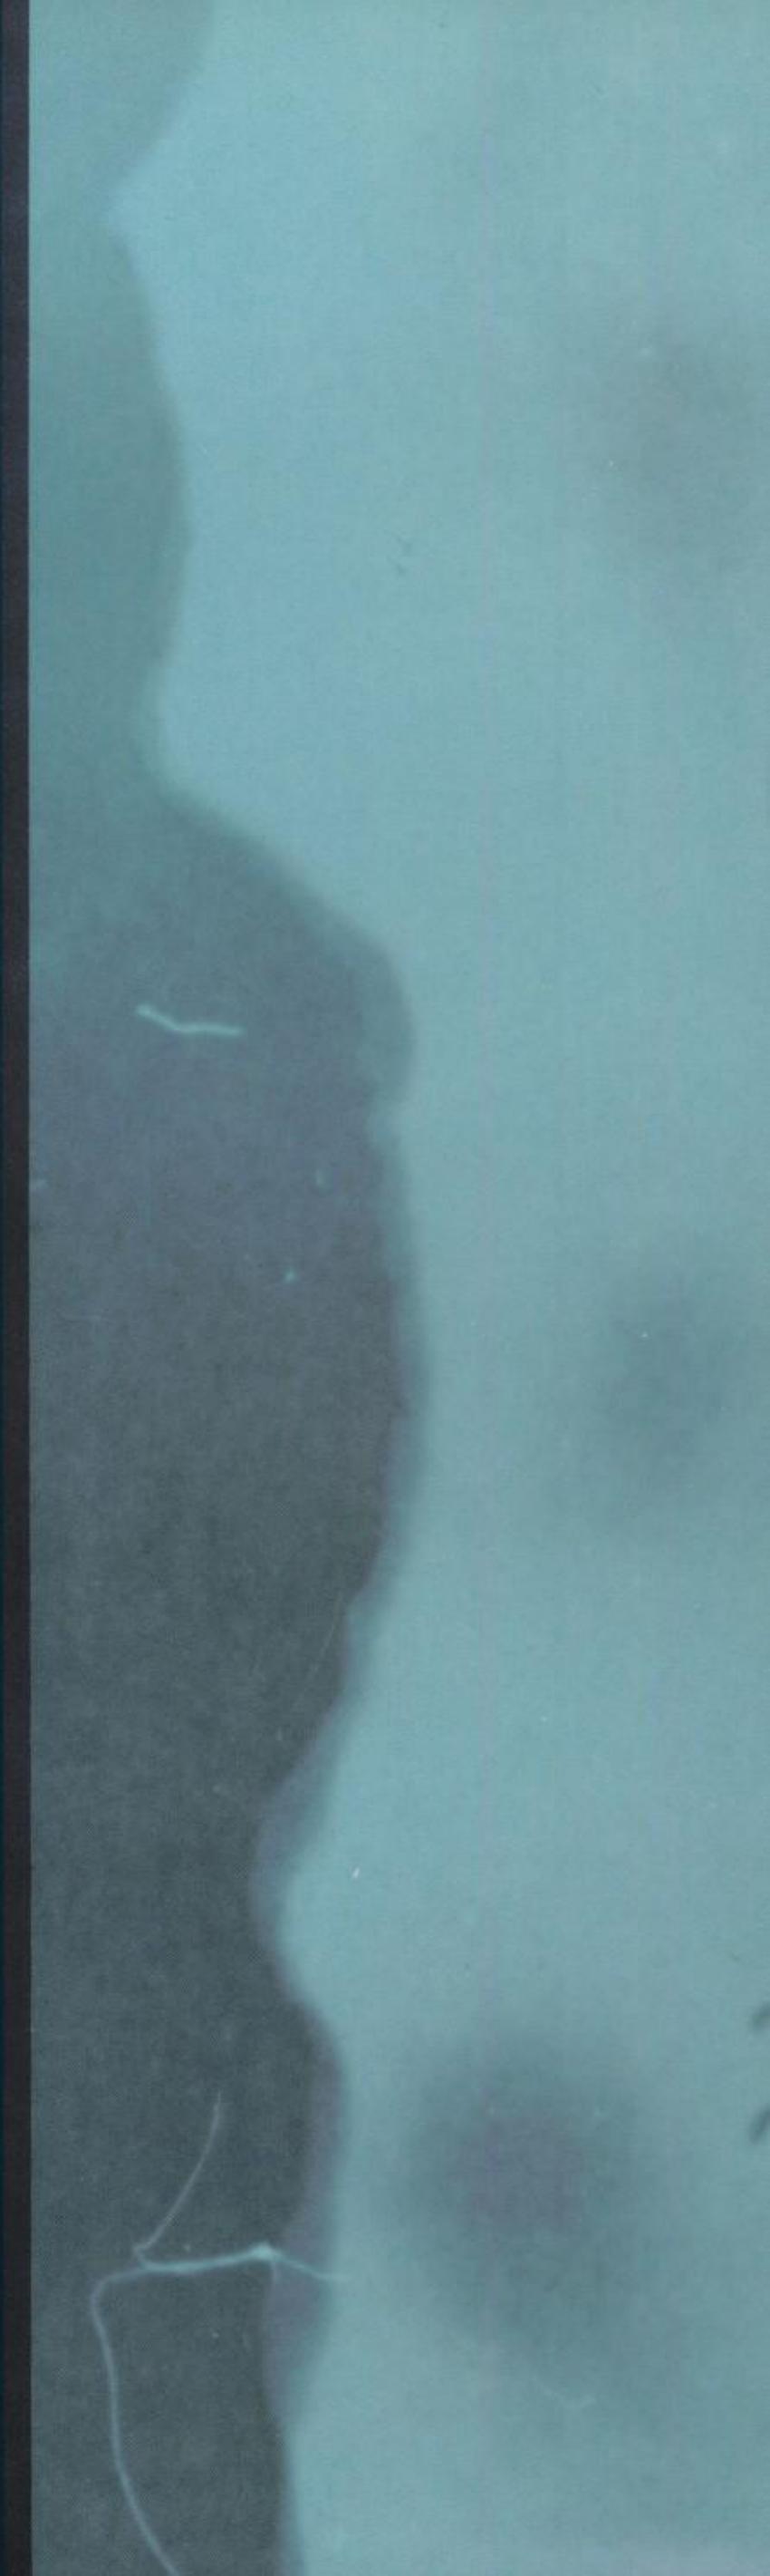

So, make a wish;  
Have a ball.  
Dream a dream;  
Be it all.

If you want it,  
You can get it.  
But to get it,  
You got to want it.  
Anything you want to try,  
Just let go;  
Fly high.

And, make a wish.

— ABC TV "Make A Wish"

My Dearest Daxer,

5/6/75 9:15 p.m.

Well, I don't know where to begin. We have had so many great and fun times together. I hope they last forever.

I wish that I could write down all my different feelings about you, but I can't. There are so many that they would fill up this whole annual and more.

Don't forget all the great times, like all the football games, basketball games and, of course, baseball games. And movies and everything else.

Of course, like everyone, we have had our little, crazy disagreements. But most of them were small and very unimportant.

I think ~~by now you know how jealous~~  
I am. Right? But ~~if I could change~~  
**SCHLUETER ELECTRIC**  
**COMPANY** ~~I would but I can't. I love you very~~  
~~much and I don't want to lose you, ever!~~  
~~You mean more to me "Remember" than anyone ever~~  
~~has. Sometimes you~~ Collinsville, Virginia ~~are a little "crazy"~~  
The Youth Of Today Are The Leaders of Tomorrow ~~you, but I still~~  
~~And I wonder about~~ So — Prepare Yourself

<sup>Sorry</sup> I honestly don't think that now I could ~~live without you~~ live without you. You are so good looking, sweet, and considerate. If anything should ever happen and we break up (I hope we never do) please stay the way you are now.

Don't forget what we are going to do after we graduate (Summer of '76). Also don't forget all the good times when I came to your house or when you came to mine. Don't forget Prom night either. Or any of the other good times. There are so many I can't write

cont. ↗

all of them down.

I know we didn't have History together but we both had the same teacher. And we know how crazy Mr. Van Dyke is. But he is really a "cool" teacher and a crazy baseball coach.

I love you very much and I hope that one day (if not next summer '76) we can get married. Because I want to spend the rest of my life with you. Please don't ever leave me. Please forgive me for all the times that I hurt you and I never want to hurt you again! And that's a promise.

Be good this summer and I hope to see you every day. (I'm sure I will) Don't play too much baseball and don't let it go to your head like

P.B.

love you  
very much  
don't ever forget  
I won't ever

I very, very,  
and please  
it. And  
change my mind (you know what I mean)!

Life — so they say  
Is but a game and they let it slip away  
Love — like the Autumn sun  
Should be dying but it's only just begun  
Like the twilight in the road up ahead  
They don't see just where we're goin'  
And all the secrets in the universe  
Whisper in our ears and all the years  
Will come and go  
And take us up — always up

We may never pass this way again  
We may never pass this way again  
We may never pass this way again

Dreams — so they say  
Are for the fools and they let them drift away  
Peace — like the silent dove  
Should be flyin' but it's only just begun  
Like Columbus in the olden days  
We must gather all our courage  
Sail our ships out on the open seas  
Cast away our fears and all the years  
Will come and go  
And take us up — always up

We may never pass this way again  
We may never pass this way again  
We may never pass this way again

So I wanna laugh while the laughin' is easy  
I wanna cry if it makes it worthwhile  
I may never pass this way again  
That's why I want it with you  
'Cause you make me feel like I'm more than  
A friend  
Like I'm the journey and you're the  
journey's end  
I may never pass this way again  
That's why I want it with you

We may never pass this way again  
We may never pass this way again  
We may never pass this way again  
We may never pass this way again

Come to see me a lot  
this summer and be good.  
Just think next year is our  
last year. Her the big day will  
come when we go out as our own  
and get married. I hope,  
love always and forever.
